HOPE HOLISTIC CARE

展望全人護理

"It's getting harder to do things lately..."

"Who can I call if I get sick?"

"How do I know when I need care?"

"What would I do if I had a fall?"

"Who can I trust to come into my house?"

"I don't want to trouble my family..."

Hope Holistic Care Can Help

Hope Holistic Care is concerned with the health and wellbeing of those who are getting older. We are interested in partnering with you to navigate through the challenges of ageing.

We are a group of professional staff, service providers and volunteers coming together to deliver services to the senior members in the community.

Services we offer include:

- Assistance with registering for Home Care Packages
- Tailored plans for health and well-being
- Recommendations to allied health services and equipment suppliers
- Transport to appointments
- Home visitations
- At home help including personal and clinical care

If you, or your loved one, have experienced changes in health, or are worried about physical or emotional fatigue, please consider getting in contact with Hope Holistic Care for free information on assistance.
